Delivering Solutions Since 1974

Our Principles

We pride ourselves on our understanding of clients' requirements and circumstances. Our positioning, size and coverage grants us the ability to think and act like a large firm whilst also offering the personalised service usually associated with smaller firms.

We are committed to providing prompt, practical and cost efficient advice and services.

Our diversity is our strength. Whether you require commercial advice for your business, are involved in property development, are owed money, have a family, traffic or criminal matter, are buying a home or making a will, a member of our firm has the expertise and is available to discuss your legal needs and to offer immediate, effective advice.

Our People

In addition to their professional qualifications, each member of our legal team has wide experience and a special interest in the field of law in which they practice.

Our team also consists of accredited specialists who provide exceptional guidance and advice on matters in their chosen specialty.

Quinn & Scattini actively promotes continuing legal education.

Our aim is to build close working relationships with our clients.
